Model 1. Legal notice.

This Legal Notice regulates the use of the Website web www.iasp2020sevilla.com (hereinafter, the Website) owned by EVENTISIMO S.L.U., TIN: B-38.651.626, Address: Balance, 16, P.I.S.A., Mairena del Aljarafe (Seville, Spain), Phone: 955 60 23 60 Email: technicalsecretariat@iasp2020sevilla.com, registered in the Company Registry of Seville Book 5.885 Folio 222, SE-102.275, 2nd.

In order to use the Website, it is mandatory to accept each and all terms indicated in this Legal Notice, besides all specific notices or terms established to contract or use certain services, products, or Website area.

In case of non-acceptance of the terms established in this Legal Notice, the user shall not access and/or use the services and/or contents available on the Website and will proceed to exit the site.

USE OF THE WEB PAGE

The user will not use the Website to carry out activities contrary to the laws, morality, public order and, in general, the user undertakes to use the Website in accordance with the conditions established in this Legal Notice. Likewise, it is prohibited the use of the site for advertising or commercial exploitation activities by sending messages under false identity.

EVENTISIMO S.L.U. acts exclusively as responsible for the Website in its capacity as provider of an information service about its own services, and it is not to be held responsible for the contents that, in contravention of these general conditions, users may send or publish, being the user the only responsible for the veracity and legality of them.

EVENTISIMO S.L.U. may interrupt the Website service and immediately resolve the relationship with the user if it detects any use of the Website or any of the services offered therein that may be considered contrary to what is stated in this Legal Notice.

INTELLECTUAL AND INDUSTRIAL PROPERTY

The whole Website: text, images, trademarks, graphics, logos, buttons, software files, color combination as well as the structure, selection, arrangement, and presentation of its contents, is protected by the laws on Intellectual and Industrial Property, and therefore any reproduction, distribution, public communication, and content use is prohibited except for personal and private use.

EVENTISIMO S.L.U. does not guarantee that the contents are completely accurate or error-free, or that the free use of these contents by the user will not infringe the rights of third parties. The appropriate use of this Website and its contents is under the sole responsibility of the user.

Likewise, the full or partial reproduction of the information and contents of this Website is expressly forbidden, no matter the purpose and the media used, without prior consent and written permission from EVENTISIMO S.L.U.

SITE LINKS

The Website may include links or links to third party sites. The Websites belonging to third parties have not been reviewed nor are they subject to controls by EVENTISIMO S.L.U., who in any case, cannot be held responsible for the contents of these websites or the measures taken regarding their privacy or the processing of their personal data.

EVENTISIMO S.L.U. recommends the careful reading of the terms and conditions as well as the privacy policy of these sites prior to their use.

If you are interested in activating a link to any of the Websites property of EVENTISIMO S.L.U. you must communicate it and then obtain the express consent to create the link. EVENTISIMO S.L.U. reserves the right to refuse the activation of links to their Website.

MINORS

EVENTISIMO S.L.U. reminds the users of legal age who are in charge of minors, that it will be their sole responsibility to determine what services and / or contents are not appropriate for the age of the latter.

EVENTISIMO S.L.U. informs them that there are computer programs that allow filtering and block access to certain types of content and services, so that parents or tutors, for example, can decide which are the contents and Internet services to which minors can access and which not.

RESPONSABILITIES

EVENTISIMO S.L.U. will not be held directly or secondary liable for:

- The quality of the service, speed of access, correct functioning, availability and continuity of the Website.
- The damages that may be caused to the user's equipment by the use of the Website.
- The cases in which a third party, breaking the established security measures, accesses the messages or use them to send computer viruses.
- The errors and defects of the contents transmitted, disseminated, stored, or available.
- The legality, reliability, and utility of the contents that users transmit when using the Website or the services offered therein, as well as these contents accuracy. EVENTISIMO S.L.U. does not control the use that users make of the Website, nor does guarantee their compliance with the terms established in this Legal Notice.

Shall be considered, including but not limited, responsible for:

- Of the contents introduced, especially of the data and information registered and submitted to EVENTISIMO S.L.U. through the Website or on the Website.
- Of any type of illegal conduct, damaging interpretation of the rights of third parties or harmful.
- Of the facilitation of untruthful or incorrect data.

JURISDICTION

This Legal Notice is the translation of an original document written in Spanish, and subject to existing legislation. For any type of dispute arising from the use of the services offered or the contents of the Website, the parties, under the acceptance of the established terms this Legal Notice will be subject to the Courts and Tribunals of the city of Seville, Spain.

Model 1 Privacy and Data Protection Policy.

EVENTISIMO S.L.U. (hereinafter, the Company), in accordance with the current legislation on the Protection of Personal Data, informs users of the Website www.iasp2020sevilla.com (hereinafter, the Website) the Privacy and Protection Policy of Data that will be applied in the processing of the personal data that the User voluntarily provides when accessing its website.

The User, by providing the Company with his / her personal data through the electronic forms of the Newsletter website, 'Work with Us' and 'Contact Form' - through the marking of the corresponding acceptance box, prior to sending the data- gives his /her permission to the Company for processing such data in the terms of the information provided in each clause preceding the collection of data.

The Company informs the Website users of the Website that their personal data can only be obtained for processing when they are appropriate, relevant, and not excessive in relation to the scope and the specific, explicit, and legitimate purposes for which they have been obtained, according to the information provided in each case. Likewise, they will be canceled when they are no longer necessary or pertinent for that purpose or in the event that the owner requests the exercise of his/her right of cancellation.

The Company expresses its commitment to comply with current legislation, at all times, regarding data protection, especially by adopting the necessary technical and organizational measures to guarantee the security of the personal data contained in them and to avoid their alteration, loss, unauthorized access or processing, taking into account the technology, the nature of the data, and the risks to which they are exposed.

The user will be solely responsible for the veracity of the data provided to the Company.

The Website is endowed with Transport Layer Security (TLS) protocol with the aim of guarantee the security in the transmission of data between your server and our Website.

The secure server establishes a connection so that the transmitted information is encrypted, which ensures that it is only intelligible for the user's device and that of the Website. Thus, using the TLS protocol guarantees:

- That the user is communicating his/her personal data to the Website server and not to any other.
- Encrypted transmission of data between user and Website, avoiding its possible reading or manipulation by third parties.

To verify that you are in a secure environment, the Client must check that the verification website address begins with `https://`

You can also identify the Website as secure when a lock icon appears in the scroll s bar of your browser.

Finally, you can also verify the presence of the Transport Layer Security certificate by checking the properties of the Website in your browser, and for that purpose you must review the characteristics of that certificate.

Any changes made to the Privacy Policy and the information management practices will be reflected in a timely manner, and the Company may add, modify, or delete the aforementioned privacy policy when deemed necessary.

Nevertheless, the Company will in no case modify the policies or practices to make them less effective in protecting the personal data of our previously stored customers, without the prior consent of the affected customers.

Use of cookies

We use our own and third-party cookies to improve our services and show you advertising related to your preferences by analyzing your browsing habits. If you continue browsing, we will consider you accepting its use. You can obtain more information, or know how to change the configuration, in our [Cookies Policy](#)

2. Informative statement second layer.

Cookies Policy

What is cookie?

It is a file that is downloaded to your computer or device when accessing certain Websites to collect information about your navigation on that website. In some cases, cookies are necessary to facilitate navigation and allow you to store and retrieve information about the browsing habits, among other things they may be used to recognize the user.

Identification of cookies used

Following the guidelines established by the Spanish Agency for Data Protection, the cookies used on this website are classified as follows:

- ✓ **Site Cookies:** These cookies that are sent to the user's system from a computer or domain managed by the editor and from which the service requested is provided.
- ✓ **Third-party Cookies:** Are those that are sent to the to the user's system from a computer or domain that is not managed by the editor, but by another entity that processes the data obtained through cookies.
- ✓ **Session Cookies:** They collect and store data while the user accesses a Website.
- ✓ **Persistent Cookies:** With a maximum expiration date of 2 years from their creation, they store time data in the system, available to be accessed and processed.
- ✓ **Technical Cookies:** **They allow** the user to navigate through a website, platform or application and to use the different options or services available.
- ✓ **Customization Cookies:** They allow the user to access the service with some predefined general characteristics based on a series of criteria in the user's device, such as the language, the type of browser accessing the service, the regional configuration from where access takes place, etc.
- ✓ **Analysis Cookies:** They allow to monitor and analyze the users' behavior of the users in the websites to which they are linked. The information collected through this type of cookies is used in the measurement of the activity of the websites, applications or platforms and for the elaboration of navigation

profiles of the users in these, applications and platforms, in order to introduce improvements indicated by the analysis of usage data provided by the service users.

- ✓ **Advertising Cookies:** They allow the efficient management of the advertising spaces that the editor may have included in the Website, application or platform or platform providing the service requested based on criteria such as the edited content or the frequency at which ads are shown.
- ✓ **Online Behavioral Advertising Cookies:** They allow the efficient management of the advertising spaces that the editor may have included in the Website, application or platform providing the service requested. These cookies store information about the users' behavior obtained through the continuous observation of their browsing habits, which allows to develop a specific profile to display personalized advertising.

The following table shows both third-party and site cookies of the web www.XXXXXXXXXXXXXX.com and the aim of each type of cookie.
